

SPONSORSHIP PROSPECTUS

DevOps Days is a one day conference that will be held in the Tampa Bay, FL, area. This conference hopes to promote awareness of bridging the gaps and breaking down silos between development, operations, security and other business units. DevOpsDays is a grassroots event for professionals in Tech to network together and share ideas and challenges relating to DevOps and Technology in general. It is organized by peers who care and believe in collaboration, automation, measurement and constant improvement.

DevOpsDays goal is to bring the highest quality speakers, experts and contributors together for two days of "Teaching and Learning". As an event sponsor, you will be branding your company as ambassadors to the Tampa Bay DevOps Community. Your company will be recognized as a leader in the Tech community, exposing your brand, products, and services to Tampa Bay's Top Tech Talent. We expect 200 attendees for this event. REGISTRATION SPONSOR

Everyone at the event will be wearing a lanyard and this represents a great opportunity to get your name in front of all attendees. The lanyard will be printed with your branding on it. There is only a single sponsorship available and it is \$2,500.

EVENING SOCIAL SPONSOR

Your chance to plan and host the social event on Thursday for all attendees of the DevOps-Days event. This will be the official night networking / after-hours event and therefore will appear as such on all marketing materials. While we understand such events may include alcohol, it would be preferable for the focus to be on the socializing aspect. We are open to discussing ideas on how this might be achieved.
